

# Create job if one alludes you

THE best way to get a job is to make one.

Young entrepreneurs believe business and innovation is key to tackling the highest youth unemployment rate in more than a decade.

Ahead of the G20 summit in Brisbane, the globe's most enterprising young minds will get together this weekend to further entrepreneurial education in primary school.

Instead of becoming unemployed,

**Eckersley-Maslin.**

Eckersley-Maslin has helped to start up 43 companies in three years.

young people are urged by delegates at the G20 Young Entrepreneurs' Alliance Summit to become employers of the future.

Former military man and BlueChilli founder Sebastien
